PAINTING

Normal wear of painting is five (5) years. The Housing Authority will pay all costs for painting the apartment if the five year residency period has expired. However, if a tenant requests that his/her apartment be painted before the five-year period is up, or tenant moves out and apartment needs painting the tenant must assume a charge as follow

3 Years or less - the tenant assumes all costs of painting

4 Year residency in apartment, tenant must pay ½ of the cost for painting of apartment.

5Years or more - residency in apartment HA will pay full cost of painting.

We have standard colors for the apartments that will be used by the maintenance department.

No painting will be done by tenant without consent of the Authority.

In all cases, when an apartment is vacated, the maintenance foreman determines if an apartment is in need of painting.

Painting:	\$20.00 @ hour as per schedule above.
